Can you tell us how you found our company?

We received a letter in the mail telling us that prolectric had done work at a neighbor's house.

Can you tell us why you chose to have us do your electrical service?

Jimmy + Johnny were very professional + friendly at our initial meeting. They understood exactly what we wanted done, and ~~that~~ reasonable with their cost estimate for the job.

May we have your permission to use you as a reference to others in your area?

What did you like most about our service?

We didn't have to wait long for Jimmy + Johnny to begin work, and they were quick to finish the job after we had to have some other work done first. Also, they were on time each day.
